Pebble Bay Residence

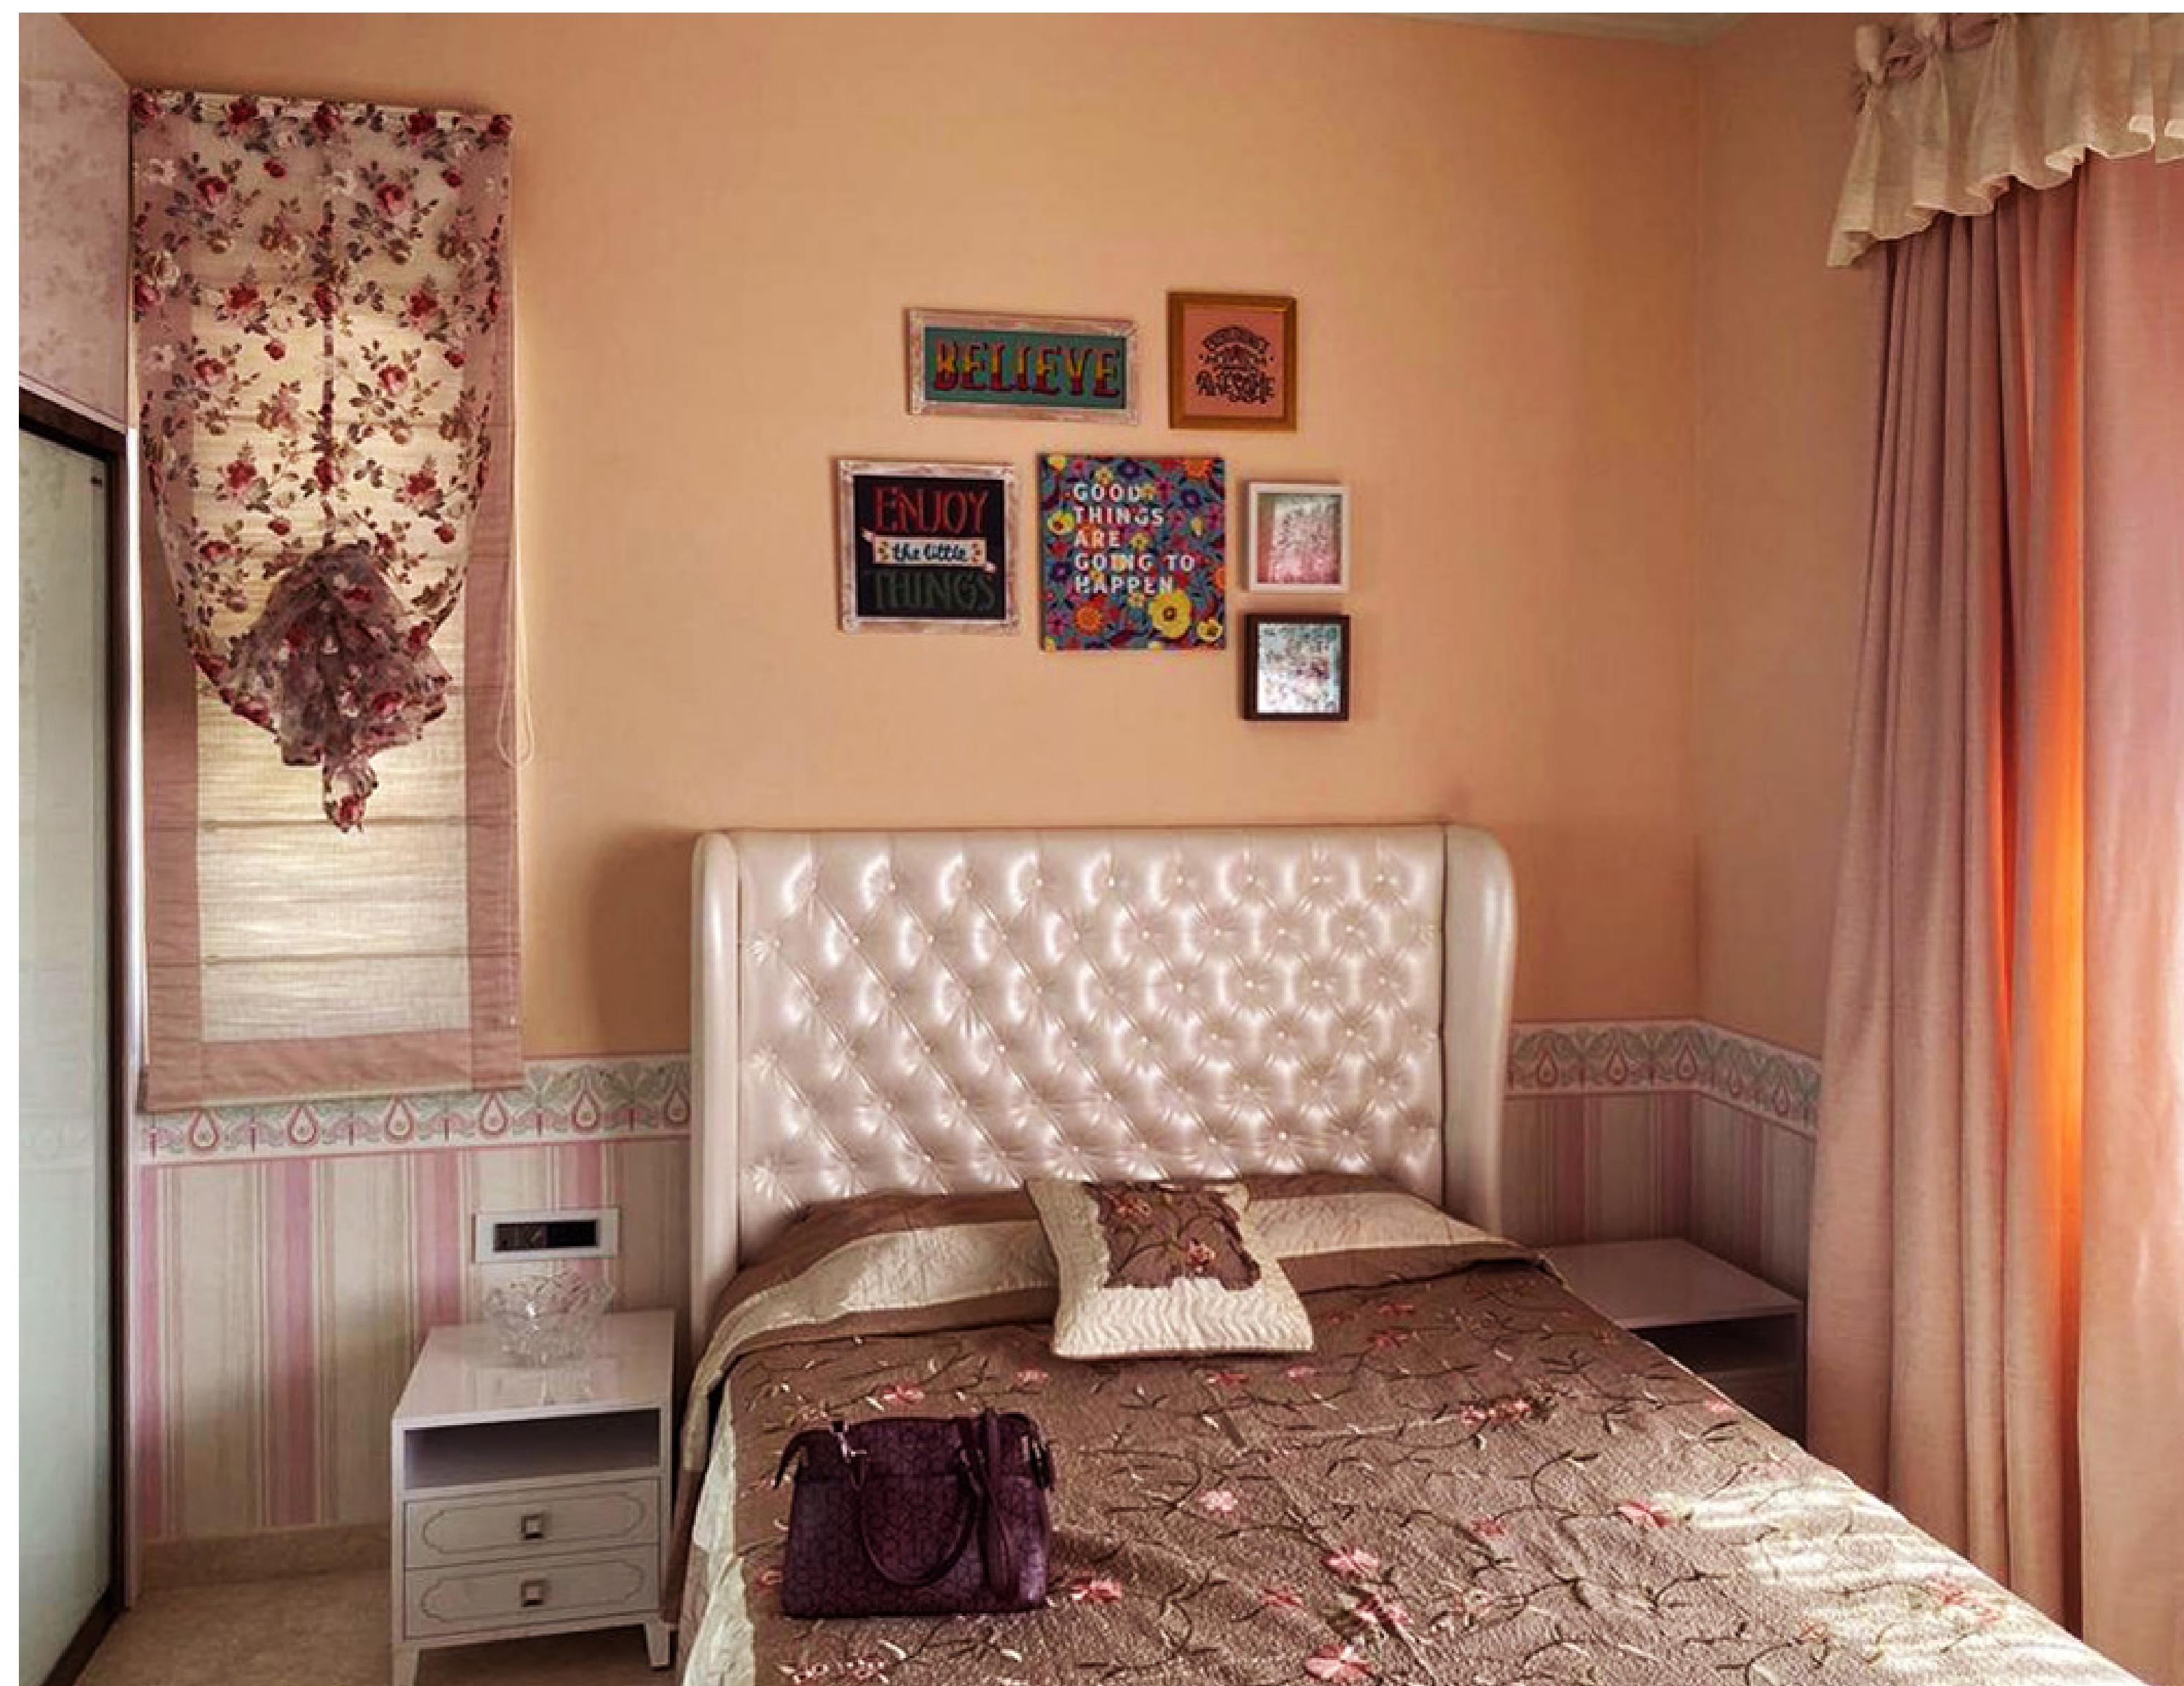

Simple, unique & sophistication combines to form this beautiful home for an elderly couple. The combination of wood with brass inlay brings out a very elegant, sheen & comfort look.

Prestige Spencer Heights Residence

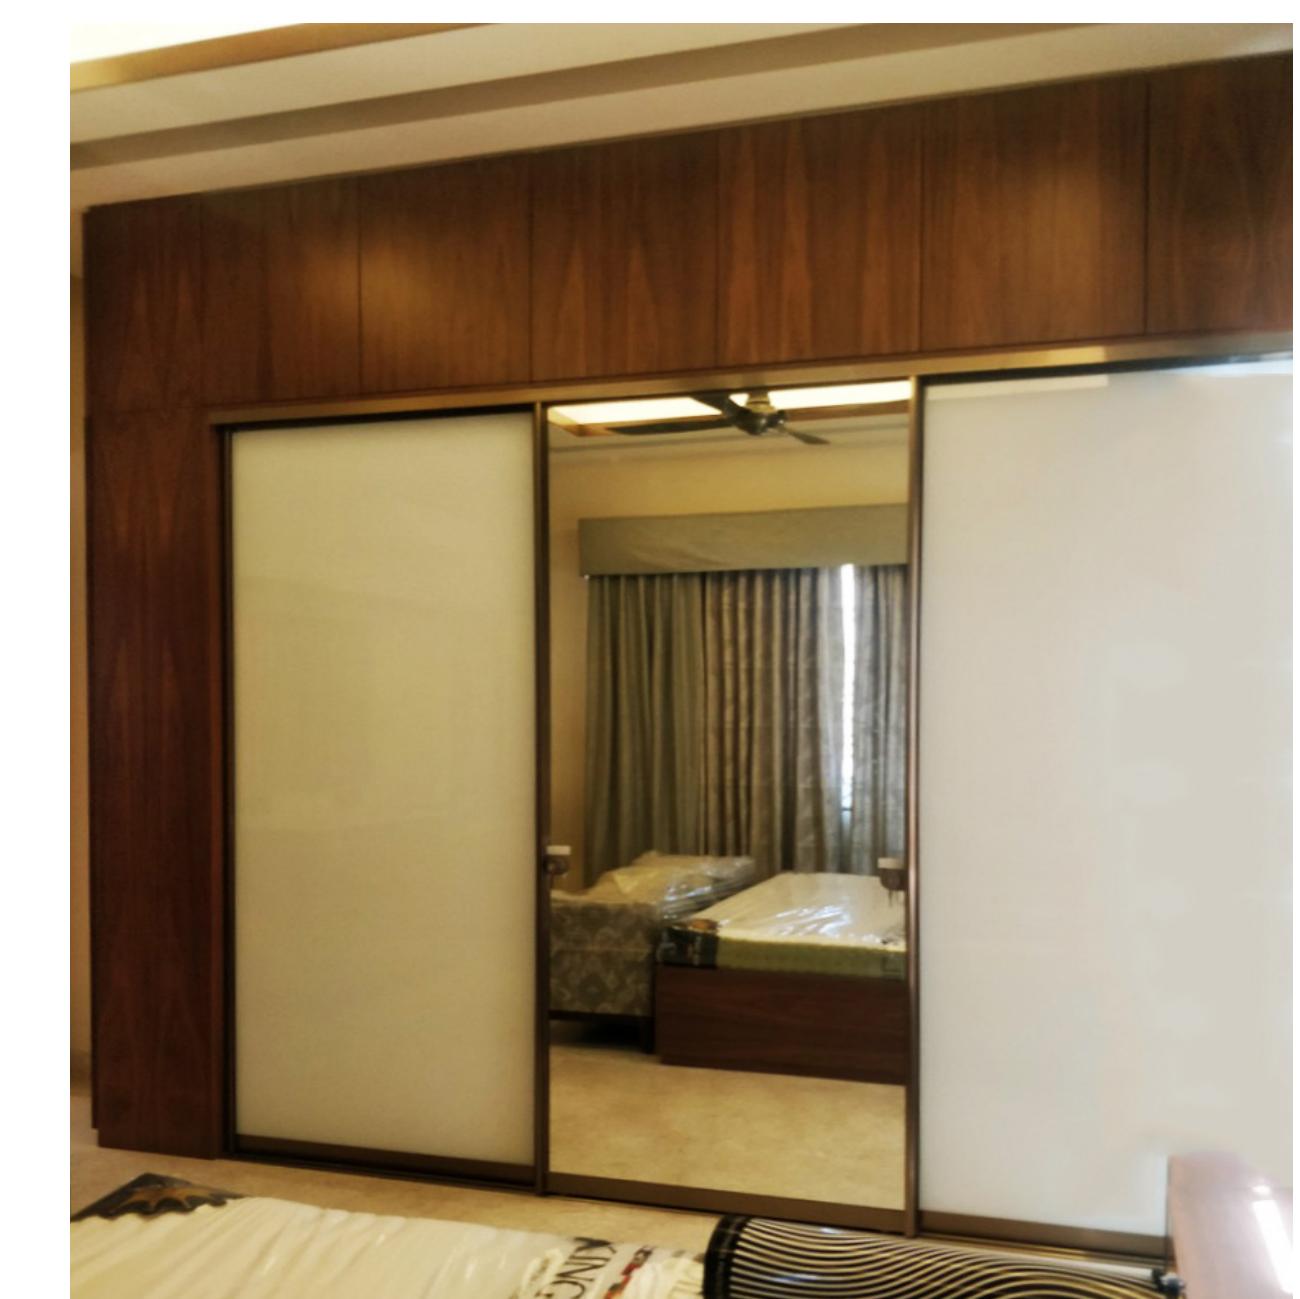

A combination of cream, lilac & gold, this is a perfect example of a Elegant home. It is pleasant , subtle and soft yet the gold plays its trick in making it dramatic & ultra modern.

Princess dream bedroom for a little girl, with filigiri work on the mirror storage to the chesterfield upholstered headboard.

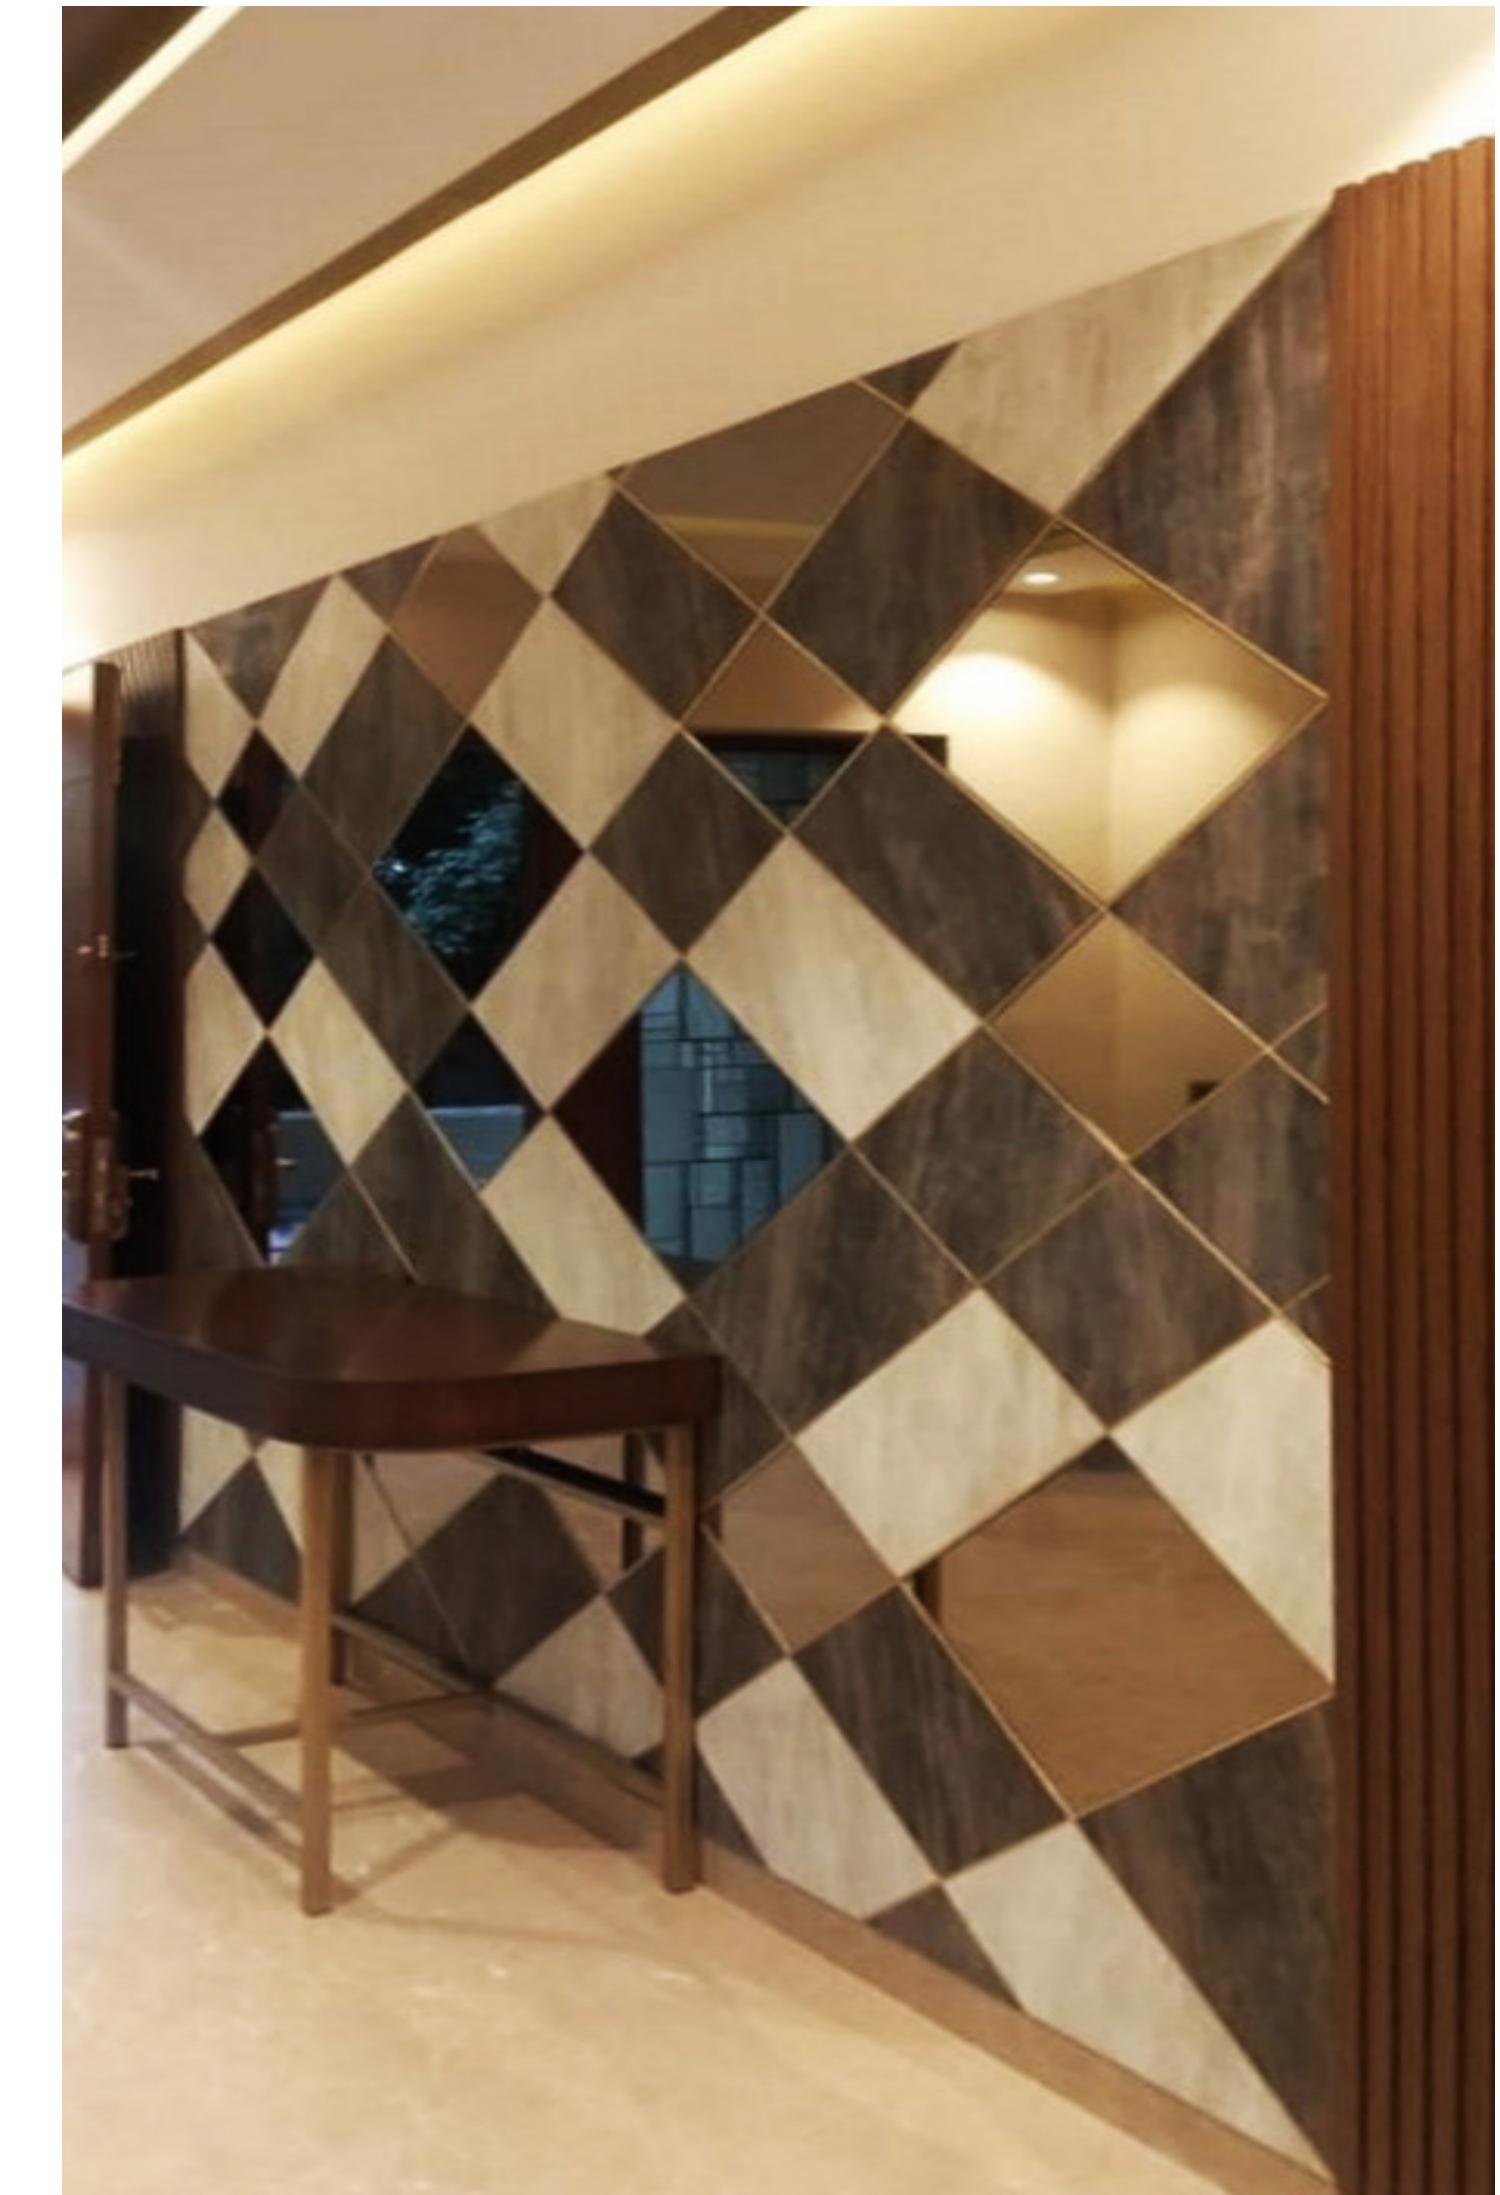

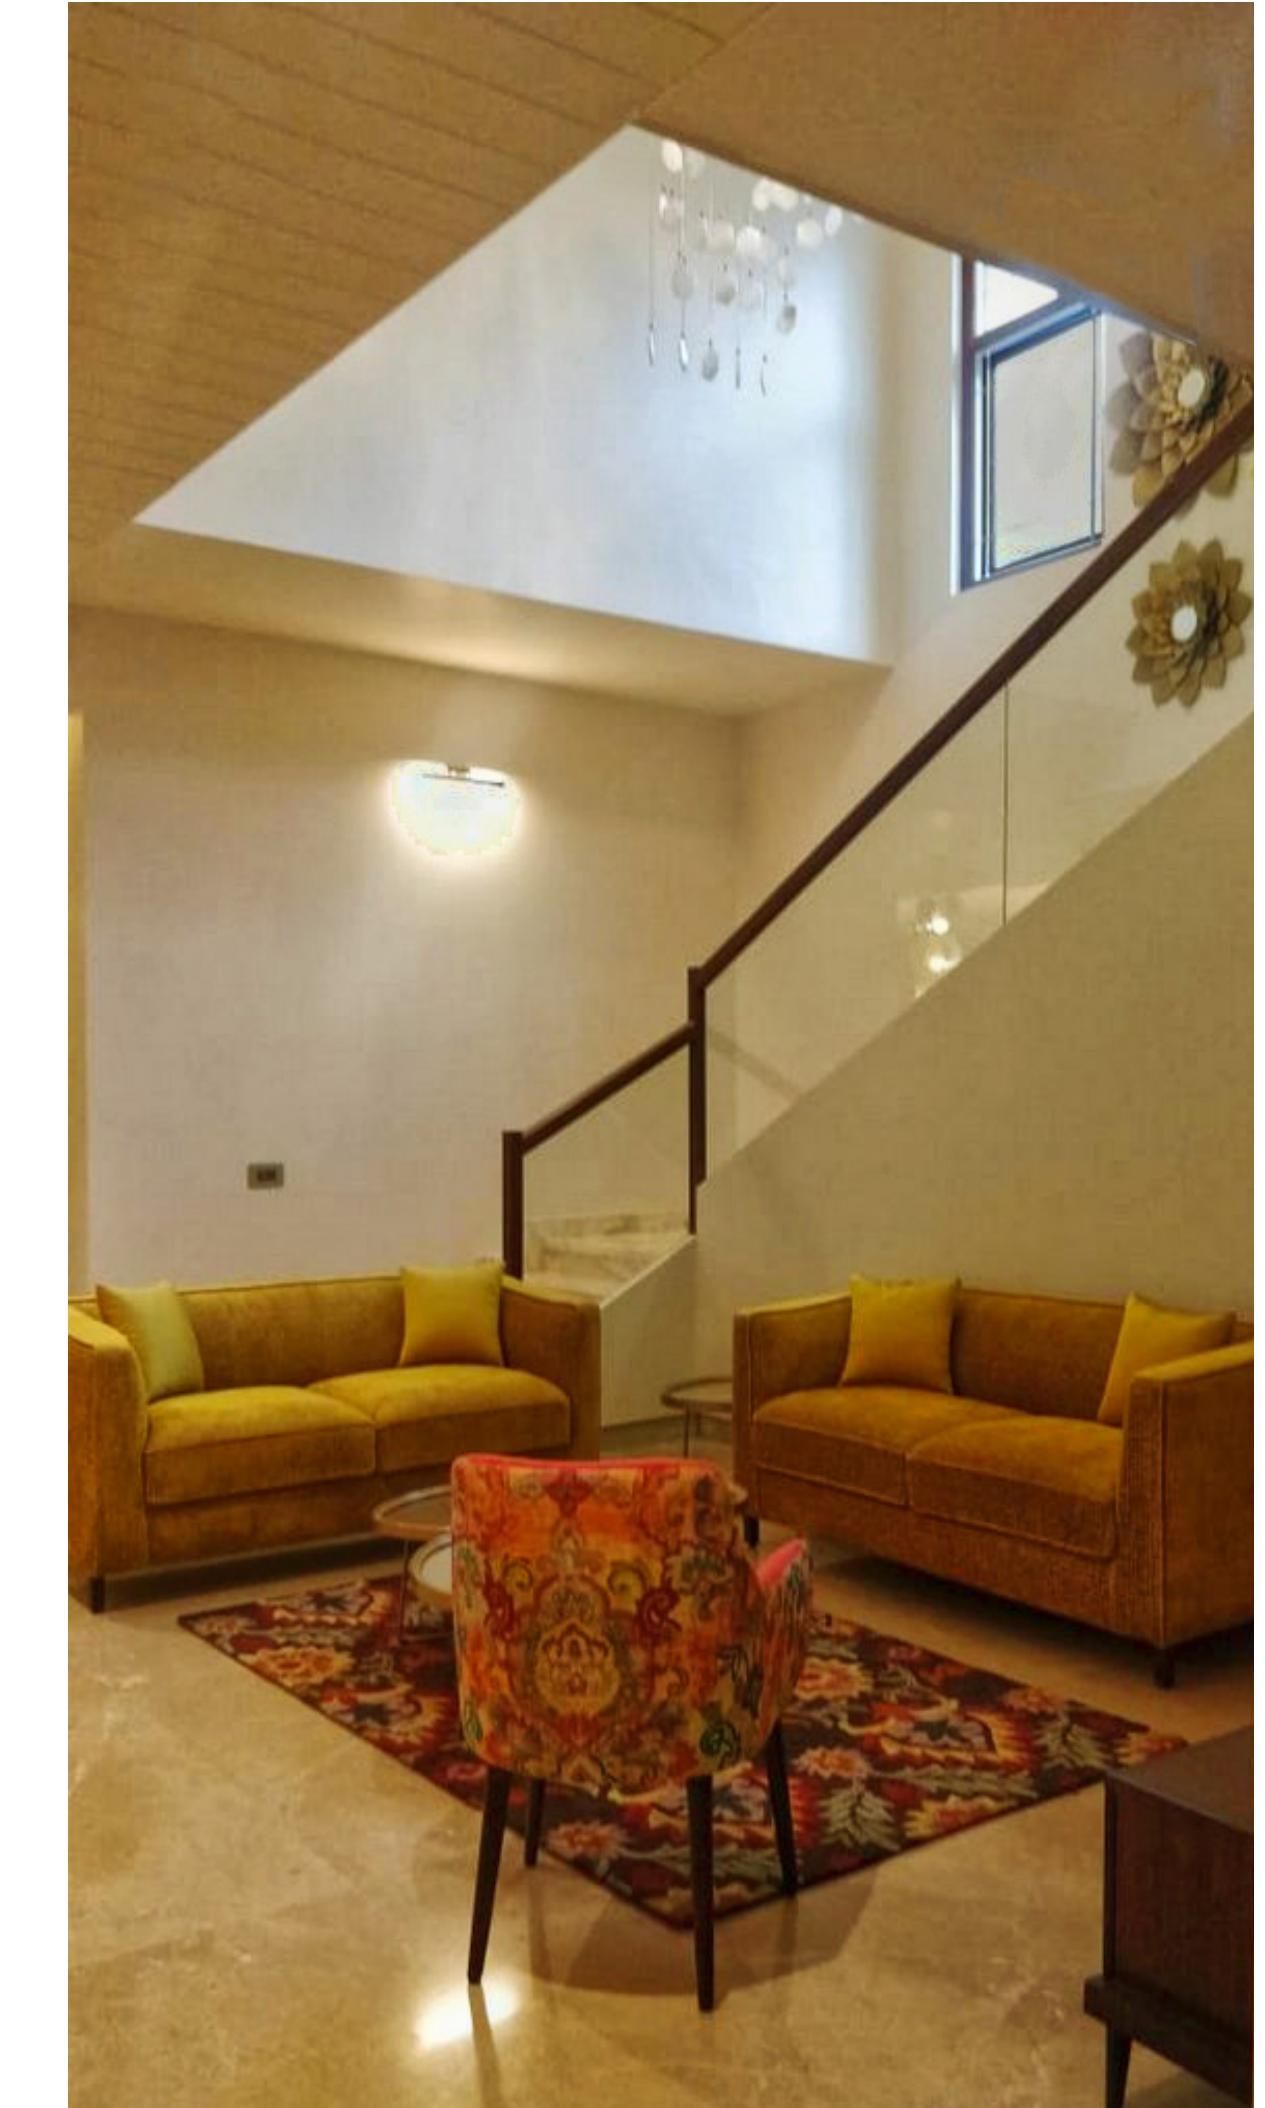

A warm & cozy Master bedroom.
with a combination of wood &
leather upholstered headboard

Sanjay Nagar Residence

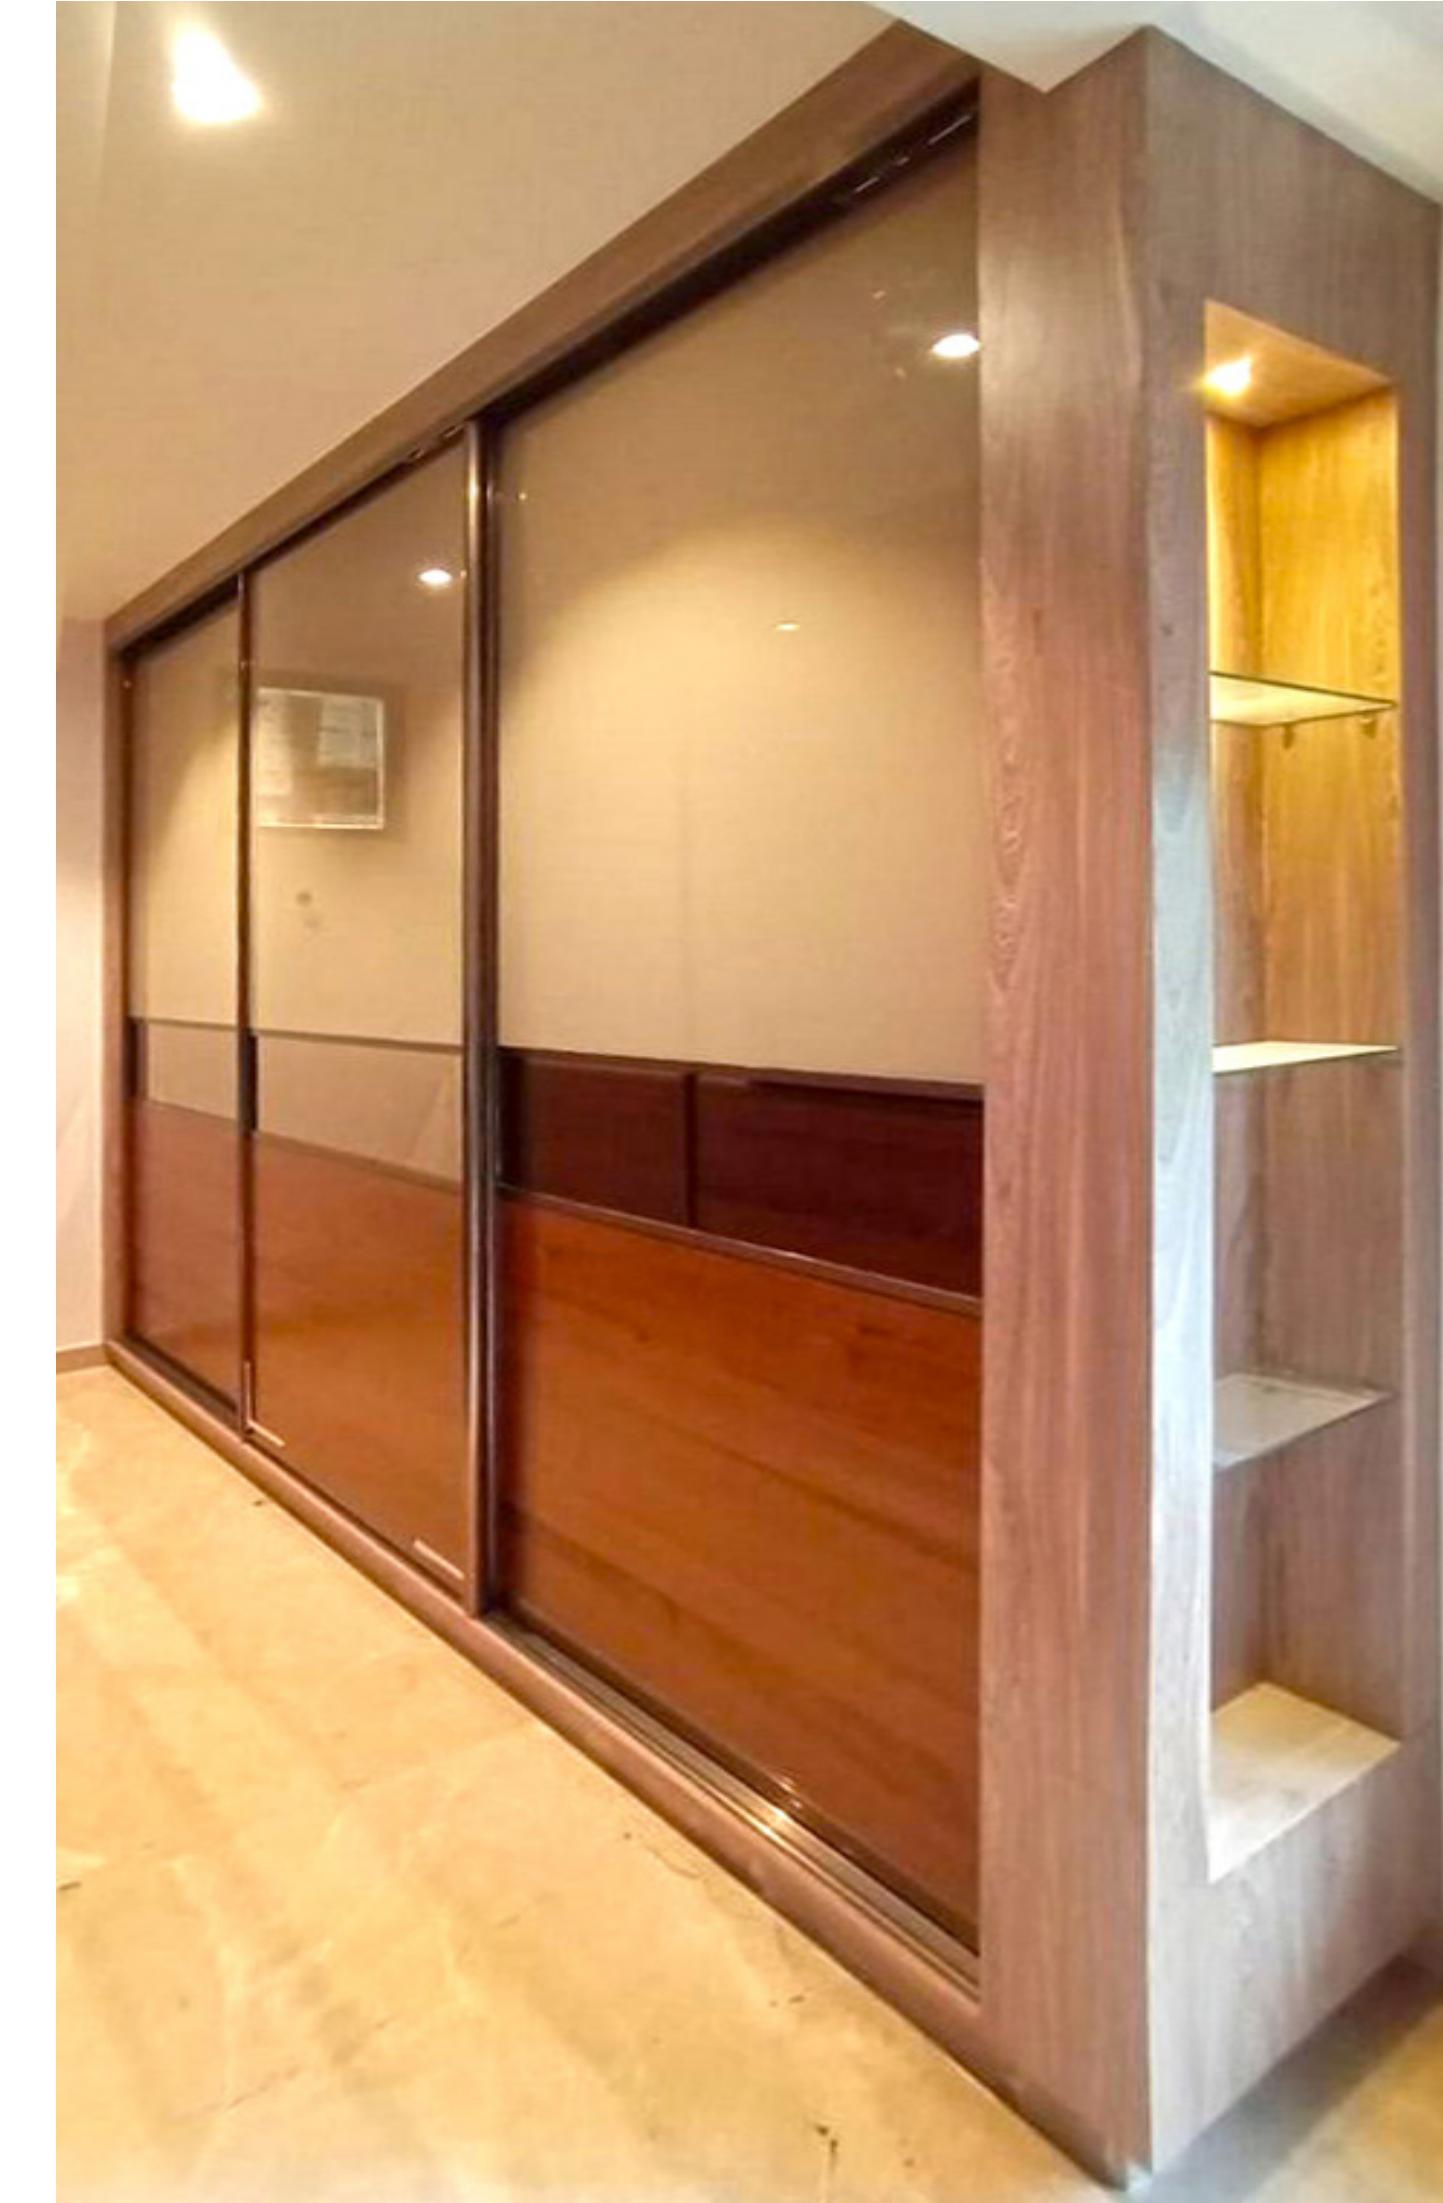

A Modern contemporary bungalow with a focus on simplicity, subtle sophistication, deliberate use of texture, and clean lines this abode is indeed a dream home.

This living room with vivid colours and textures ,like the bronze mirror on the panelling with polished veneer is an elegant combination while the pop pf colours in the furniture adds in the vibrance and modernised look and feel.

Contemporary Master bedroom of vibrant and pleasing warm colour palette.

A Blue & grey Guest bedroom meant to give a feeling of calm and coolness.

A comfortable couch, a wing chair with a foot rest and the use of brass on wood gives a warm and comfortable feel to this family room.

Details are what makes a design. Never underestimate their importance.

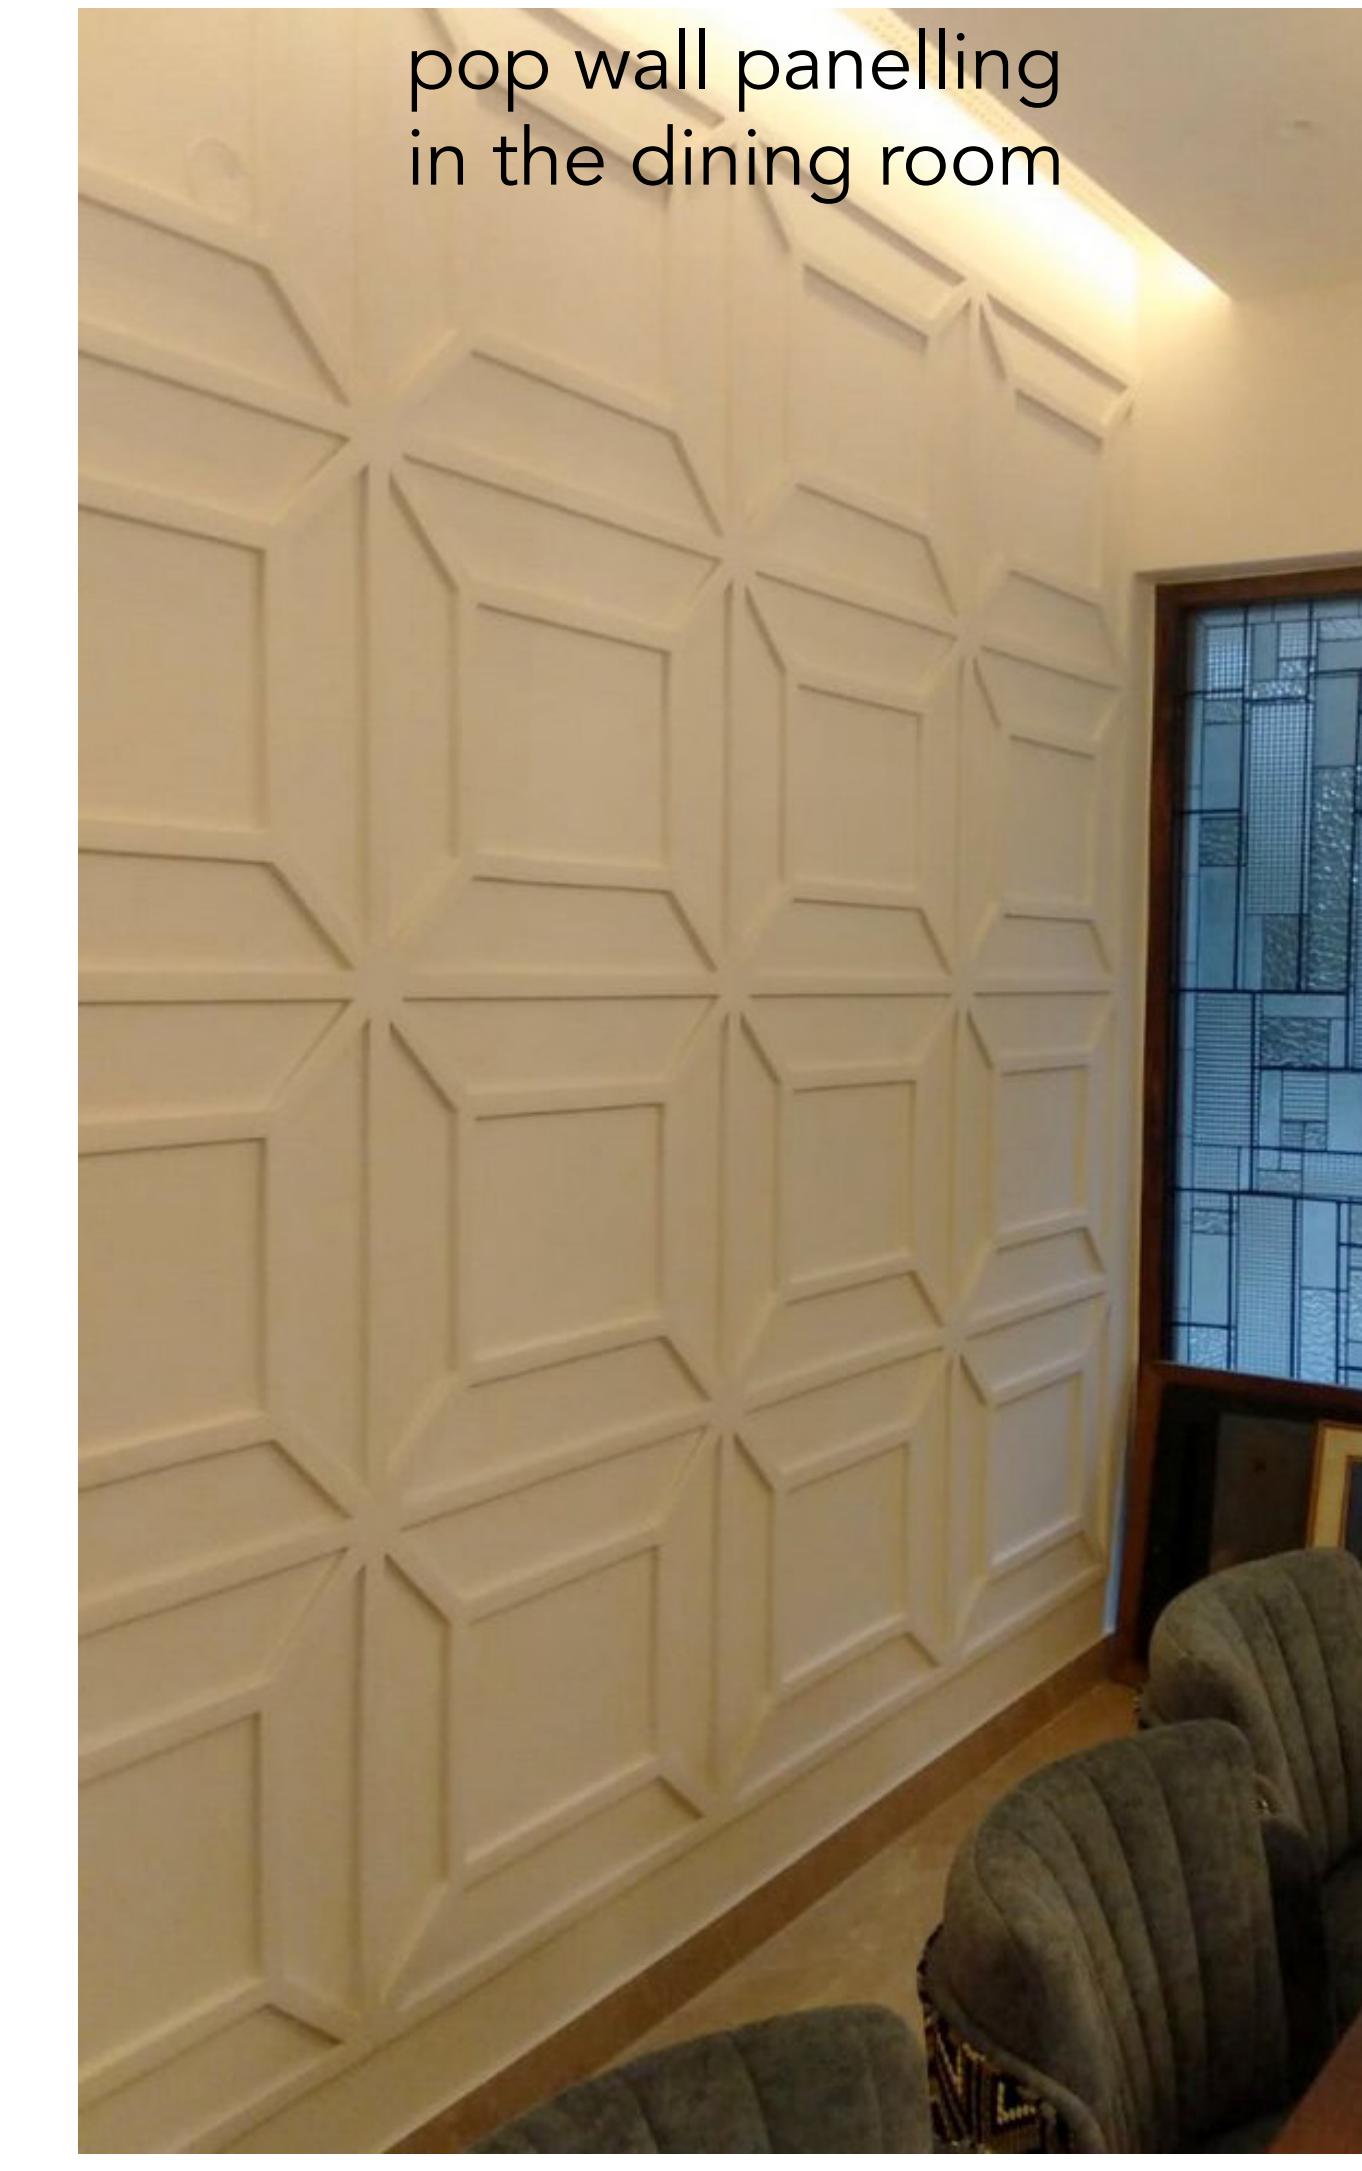

A pooja room false ceiling combined with an antique gold chandelier to add to this beautiful and intricate detail.

3D wall decor to accentuate this staircase wall

A beautiful Big chandelier for the double height ceiling

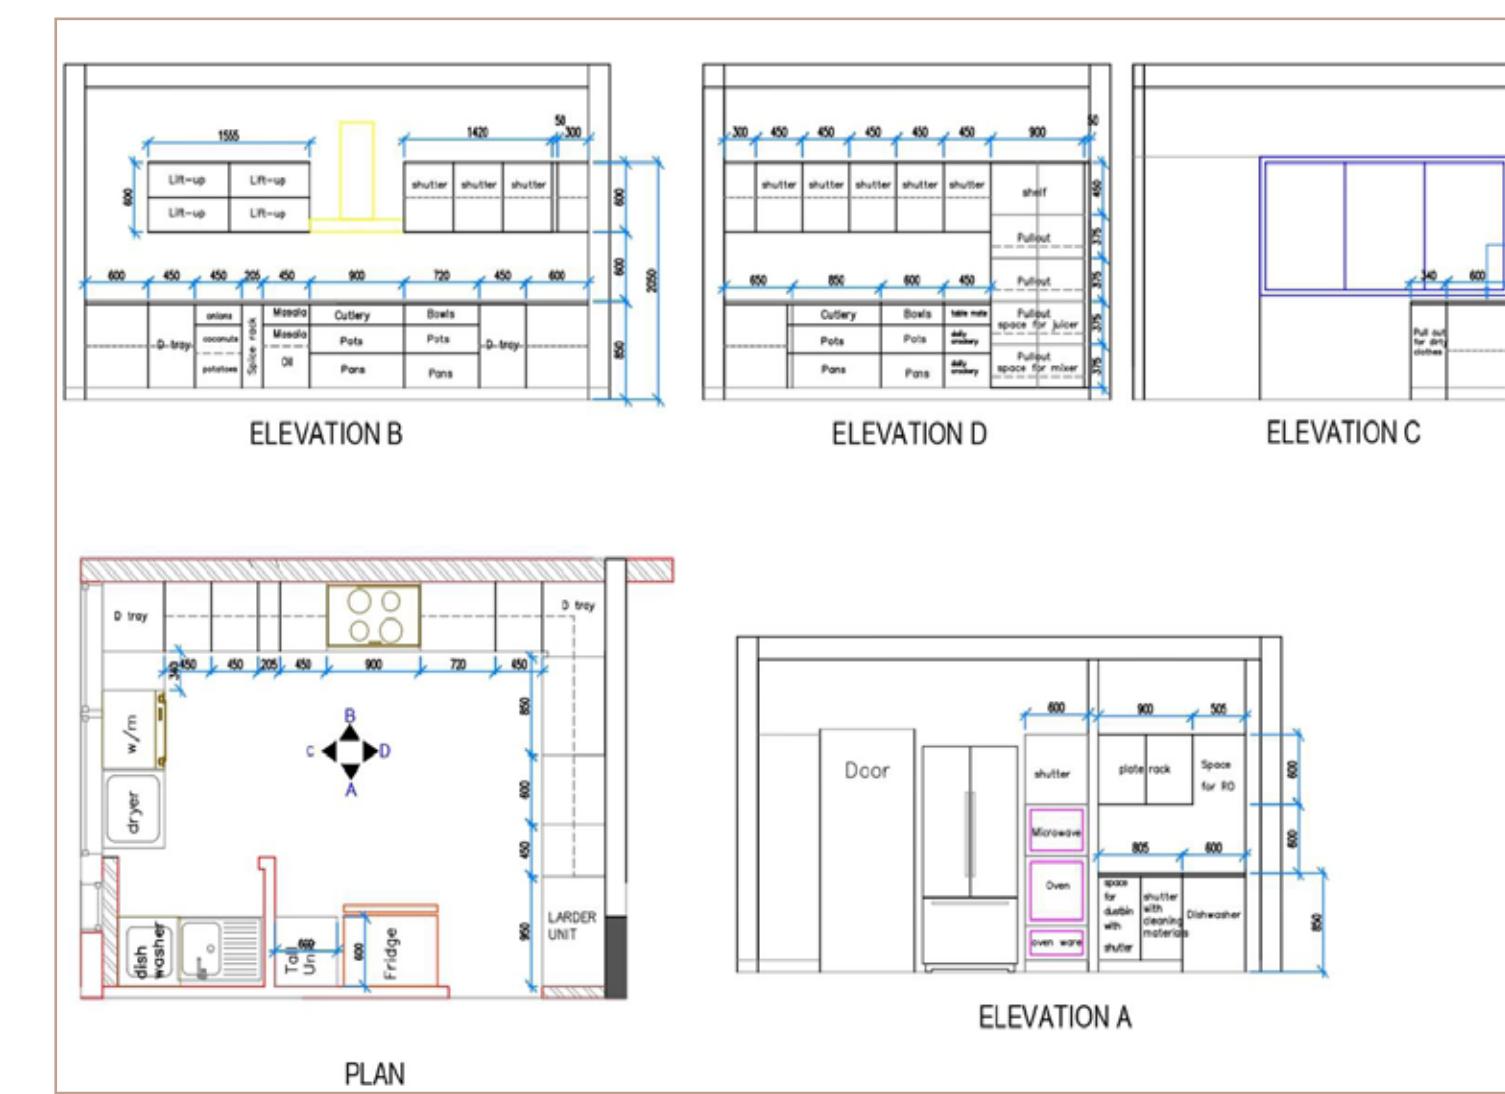

pop wall panelling in the dining room

Modern Kitchen design

From sleek cabinetry to sophisticated color schemes, contemporary kitchens blend modern design with a minimalist aesthetic to create a distinctive look that transcends trends. The use of champagne lacquered glass matching laminate with rose gold recessed profile handles, corian counter tops & back splash works well for the modern look.
